

Covid-19 – Acknowledgement of Risk and agreement to Track + Trace during MK Sailability Activities

MK Sailability is conducting activities within Government and RYA Guidelines to provide some, limited sailing to its members during the Covid-19 pandemic. Just as there is a risk with normal sailing, there is bound to be a small chance of contracting Covid-19 through participating in these activities despite the measures taken by MK Sailability to mitigate that risk. These measures are laid out in the Covid19 Policy Statement.

By signing this Acceptance form, you agree that you:

- Will NOT attend sessions if you feel unwell, especially with potential Covid-19 symptoms.
- Will NOT attend sessions if you have had close contact with anyone displaying Covid-19 symptoms or who has been diagnosed with the virus in the last 14 days.
- Have read and understood the Covid-19 Policy document or had it explained to me
- Will comply with all safety measures, including social distancing.
- You agree that MK Sailability may pass your details to any Track and Trace team in the event that anybody attending a session has a positive Covid-19 test.
- If I am a carer and I am signing on behalf of somebody that I take responsibility for that person during the Sailability activity.
- If possible, I will scan the NHS Track and Trace QR Code on the club door.
